

MoreCommision Advertising

WE CONNECT CONSUMERS, CONTENT AND BRANDS

MORECOMMISION ADVERTISING MEDIA KIT | 2018

Solutions for Publishers

Join our network of premium and diversified Demand

- MoreCommission understands growing industry concerns around the quality of the inventory.
- Our entire inventory is screened before each of our buyers access the supply.
- We make sure to monitor the quality of the inventory as well the quality of the ads delivered on the Publisher's webpage.
- We establish a meaningful connection between the buyer and seller to help achieve a true reach and value to Advertisers and Publishers respectively.

Solutions for advertisers

Join our network of premium and diversified supply

- We let your brands connect with the right audience and broaden your reach at the same time.
- We can help you achieve reach the right audiences with various geographic, contextual, IP based targeting tools
- With the Premium supply in our network, the advertiser not only gets to deliver an ad on premium supply but also market your brands better than yesterday
